Application for internship for the role of frontend developer- shivam Kumar

Respected HR Mam,

I am Shivam Kumar as a fresher at Runqta International Skills University and currently pursuing B.Tech(CSE) degree.

I have learnt a various skills and frontend development is one of them. I found that your company is looking for a frontend developer and so I would like to join your organisation.

I hope that you would be liking my profile and would select me for the role of frontend developer at your esteemed organisation.

Regards,

Shivam Kumar
